DEBRIS REMOVAL

Work is now underway on clearing debris from along state-maintained roads throughout Yancey County.

Please sort debris into these five categories: 1) Electronics 2) Large Appliances 3) Hazardous Waste 4) Vegetative Debris 5) Construction Debris.

Place all debris on the public right-of-way, up to 20-25 feet from the road's white line. Avoid blocking roads or drainage, and note that mixed debris or improper placement may cause delays or not even be picked up. **Household garbage will not be collected.**

DEMOLITION

If your home or business sustained damage, **DO NOT** make any demolition decisions until you've spoken with both FEMA, and your insurance company. IF demolition is necessary, verify with French Broad EMC utilities to the building have been shut off.

French Broad EMC

650 West Main Street, Burnsville, NC, 28714

828-682-6121

WATER FOR CONSUMPTION

Well Water Instructions:

Well disinfecting kits are available at the Yancey County Health Department for pick-up.

If you have questions about this process, please contact our Environmental Health Staff at

828-682-1927.
